

ANUSHKA BAJPAI

+91-9651427469 | anushkabajpai004@gmail.com | Kanpur, Uttar Pradesh

PROFESSIONAL SUMMARY

Detail-oriented MCA student with hands-on experience in SQL, Python, data analysis, and database-integrated application development. Proficient in data querying, data cleaning, and visualizing insights. Eager to apply analytical skills, logical thinking, and foundational knowledge of statistics and ETL concepts in a Data Analyst role to support data-driven decision-making.

TECHNICAL SKILLS

Data & Querying: SQL (MySQL), Python (Pandas, NumPy basics)

Visualization & Reporting: Data Visualization concepts; exposure to dashboard design principles

Data Management: Data Cleaning, Data Validation, Database Management (DBMS)

Programming: Java (Core), C, JavaScript, PHP

Web Technologies: HTML, CSS

Tools & Platforms: VS Code, Git, GitHub, AWS Cloud (Certified)

Concepts: OOP, Statistics, ETL Concepts (fundamental), KPI Analysis, Operating Systems

PROJECTS

Serverless Image Processor

- Python 3.7 scripts for image resizing, optimizing, and compression.
- Utilized AWS Lambda for serverless execution, enabling efficient and cost-effective image processing.
- Integrated AWS S3 for storage and retrieval of images, streamlining the resizing workflow.

Restaurant Management Website

- Integrated a MySQL relational database with a dynamic PHP/JavaScript front-end to manage menu, order, and inventory data — writing SQL queries for reporting and data retrieval.
- Performed data validation and cleaning on menu and order datasets to maintain data integrity across multiple sources.
- Collaborated in defining data requirements and translating them into database schemas and query-driven reports, mirroring KPI and stakeholder collaboration workflows.

EDUCATION

Master of Computer Applications (MCA) — AKTU University – VSICS, Kanpur | 2024 – 2026

Bachelor of Computer Applications (BCA) — CSJM University – VSICS, Kanpur | 2021 – 2024

Intermediate (Class XII) — U.P. Board | 2020 – 2021

High School (Class X) — U.P. Board | 2018 – 2019

CERTIFICATIONS

- Cloud Computing using AWS - SK Deft
- Skill Up Program - Infosys
- Employability Skills - Rubicon
- Soft Skills Training - Dr. Virendra Swarup Educational Foundation

CORE COMPETENCIES

Analytical Thinking & Problem Solving | Data Validation & Cleaning | SQL Querying & Reporting
| Time Management & Organization | Stakeholder Collaboration | Quick Learning & Adaptability

ACHIEVEMENTS

- Successfully delivered all academic data and web projects on time, demonstrating project management and organizational skills.
- Actively participated in technical workshops and seminars to stay current with industry trends in data technologies and cloud platforms.
